

Unexpected Money

Classic Subliminal · Affirmation Companion

Openness to new income and calm around finances.

How to use this list

Read this list slowly once a day — morning or evening — while your subliminal audio plays in the background on loop. Say the lines that resonate out loud, in first person, at a relaxed pace.

Consistency matters far more than intensity: a few focused minutes daily is enough. Never listen while driving or doing anything that requires your full attention.
